These are the ways they will need to call *500 based upon the device they are calling from:

- From a landline Avaya phone, dial *500
- From a cell phone, call 804-628-2500.
- If using an Ascom phone, dialing *500 will not connect as it is not part of the Avaya network. Ascom phones are programmed so that a double tap of the top button will dial *500 directly
